CHAPTER 31: THE NATIONAL RAILROAD PUNCH TAKES TO THE SKY!!

Explanations For those who don't know what the National Railroad Punch is!

Anyone who's read Yolune 3 should know what the National Railroad Punch is. It's a special move where

pponent's face with left straight! This is the inbound attack!

Two: The moment the opponent is thrown back, turn at the corner!

Three: As the opponent falls back-wards, thinking there's no way a train could construct them with a counter!
This is the outbound attack!
